

An aerial photograph of a coastal landscape. The top half shows a vast expanse of bright red sand, sparsely covered with small, dark green shrubs. The bottom half shows a sandy beach transitioning into the ocean. The water is a deep, dark blue-green, with white foam from breaking waves visible along the shoreline. The overall scene is captured from a high angle, looking down at the coast.

26 Degrees Global Markets

# Authorised Representative Details

AFSL No. 438 283 ABN 48 162 400 035

26 Degrees Global Markets - Authorised Representative Details - Version May 2025

# 26

## AUTHORISED REPRESENTATIVE DETAILS

This form is used to update the authorised representatives associated with your 26 Degrees account. Representatives may be empowered with Authorities to act on the account, and/or granted preferences to receive information regarding the account's activity.

Legal Entity Name: \_\_\_\_\_

Please indicate if this Authorised Representative form is an update to an existing Authorised Representatives list or replaces all previous versions.

☐ Update

☐ Replacement

**Please submit completed forms via email to [support@26dgm.com](mailto:support@26dgm.com).**

Forms must be submitted by one of the following:

- Representative with the User Admin authority
- Registered company Director (evidence may be required if the Director is newly appointed)
- Authorised Signatory (evidence may be required if a signatory list has not been previously supplied)

**AUTHORISED REPRESENTATIVE #1**

An aerial photograph of a rugged coastline. The top half of the image shows steep, orange-red cliffs with some sparse green vegetation. The bottom half shows a sandy beach with many dark, jagged rocks scattered across it. The ocean is visible on the left, with white foam from waves washing onto the shore.
